

Cytokinetics to Hold Annual Meeting of Stockholders

May 3, 2023 8:00 PM EDT

SOUTH SAN FRANCISCO, Calif., May 03, 2023 (GLOBE NEWSWIRE) – Cytokinetics, Incorporated (Nasdaq: CYTK) today announced that its Annual Meeting of Stockholders will be held on Wednesday, May 10, 2023 at 10:00 AM Pacific Time at the Company's headquarters, 350 Oyster Point Blvd., South San Francisco, CA. Immediately after the conclusion of the Annual Meeting of Stockholders, Robert I. Blum, President and Chief Executive Officer, is scheduled to present an overview of Cytokinetics' performance.

Stockholders of record at the close of business on March 21, 2023 are entitled to vote at Cytokinetics' Annual Meeting of Stockholders or to attend in person and submit questions to management. Stockholders wishing to vote must attend the meeting in person or submit a valid proxy card by mail, telephone or internet by 11:59 PM Eastern Time on May 9, 2023, in accordance with instructions contained in our Proxy Statement for the 2023 Annual Meeting of Stockholders.

Interested parties may access the live webcast of the Annual Meeting of Stockholders and the subsequent presentation by visiting the Investors & Media section of Cytokinetics' website at www.cytokinetics.com. The live audio of the conference call can also be accessed by telephone by registering in advance at the following link: [Cytokinetics Annual Meeting of Stockholders](#). Upon registration, participants will receive a dial-in number and a unique passcode to access the call. An archived replay of the webcast will be available via Cytokinetics' website for twelve months.

About Cytokinetics

Cytokinetics is a late-stage, specialty cardiovascular biopharmaceutical company focused on discovering, developing and commercializing first-in-class muscle activators and next-in-class muscle inhibitors as potential treatments for debilitating diseases in which cardiac muscle performance is compromised. As a leader in muscle biology and the mechanics of muscle performance, the company is developing small molecule drug candidates specifically engineered to impact myocardial muscle function and contractility. Cytokinetics is developing *aficamten*, a next-in-class cardiac myosin inhibitor, currently the subject of SEQUOIA-HCM, the Phase 3 clinical trial of *aficamten* in patients with symptomatic obstructive hypertrophic cardiomyopathy (HCM). *Aficamten* is also being evaluated in non-obstructive HCM and the company plans to begin a Phase 3 trial later this year. Cytokinetics is also developing *omecamtiv mecarbii*, a cardiac muscle activator in patients with heart failure. In 2023, Cytokinetics is celebrating its 25-year history of pioneering innovation in muscle biology and related pharmacology focused to diseases of muscle dysfunction and conditions of muscle weakness.

Forward-Looking Statements

This press release contains forward-looking statements for purposes of the Private Securities Litigation Reform Act of 1995 (the "Act"). Cytokinetics disclaims any intent or obligation to update these forward-looking statements and claims the protection of the Act's Safe Harbor for forward-looking statements. Examples of such statements include, but are not limited to, statements relating to Cytokinetics' and its partners' research and development activities of Cytokinetics' product candidates. Such statements are based on management's current expectations, but actual results may differ materially due to various risks and uncertainties, including, but not limited to the risks related to Cytokinetics' business outlined in Cytokinetics' filings with the Securities and Exchange Commission. Forward-looking statements are not guarantees of future performance, and Cytokinetics' actual results of operations, financial condition and liquidity, and the development of the industry in which it operates, may differ materially from the forward-looking statements contained in this press release. Any forward-looking statements that Cytokinetics makes in this press release speak only as of the date of this press release. Cytokinetics assumes no obligation to update its forward-looking statements whether as a result of new information, future events or otherwise, after the date of this press release.
